## REDUCTION TO THE ESSENTIALS

Taps and mixers collection designed by Studio Adolini: reduction of functions to the essentials and purity of form without compromise.

Inspired by the archetypal shape of the circle and modelled with a continuous vertical milling in the grip area. Declined in progressive mixers, hot and cold water taps, single lever mixers, thermomixers; complemented by showers and accessories with coordinated design.

## RIDUZIONE ALL'ESSENZIALE

Collezione di rubinetteria disegnata da Studio Adolini: riduzione delle funzioni all'essenziale e purezza delle forme senza compromessi.

Ispirata alla forma archetipa del cerchio e modellata con una fresatura verticale continua nell'area di presa. Declinata in miscelatori progressivi, rubinetti acqua calda e fredda, miscelatori monocomando, miscelatori termostatici; completata da docce ed accessori di disegno coordinato.

## RÉDUCTION À L'ESSENTIEL

Collection de robinetterie conçue par le Studio Adolini: réduction des fonctions à l'essentiel et pureté des formes sans compromis.

Inspirée par la forme archétypale du cercle et modelée avec un fraisage vertical continu dans la zone de prise. Déclinée en mitigeurs progressifs, robinets d'eau chaude et froide, mitigeurs monocommande, mitigeurs thermostatiques; complétée par douches et accessoires au design coordonné.

## REDUCCIÓN A LO ESENCIAL

Colección de grifería diseñada por Studio Adolini: reducción de las funciones a lo esencial y pureza de formas sin compromisos.

Inspirada en la forma arquetípica del círculo y modelada con un fresado vertical continuo en la zona de agarre. Declinada en mezcladores progresivos, grifos de agua fría y caliente, monomandos, mezcladores termostáticos; completada con duchas y accesorios de diseño coordinado.

## REDUKTION AUF DAS WESENTLICHE

Armaturen-Kollektion entworfen vom Studio Adolini: Reduktion der Funktionen auf das Wesentliche und kompromisslose Reinheit der Form.

Inspiriert von der archetypischen Form des Kreises und modelliert mit einer durchgehenden vertikalen Fräseung im Griffbereich.

Dekliniert in progressiven Mischern, Warm- und Kaltwasserhähnen, Einhebelmischern; ergänzt durch Duschen und Accessoires mit abgestimmtem Design.

## NOBLE MATERIALS

---

### PASSION FOR STEEL

Outer parts made of 316 steel, the noblest of metal alloys:  
stainless, antibacterial, indestructible.  
Surfaces brushed by hand to give the metal a soft tactility.  
Available in unaltered brushed steel or coated with PVD  
deposition in black and copper finishes.

### PASSIONE PER L'ACCIAIO

Parti esterne realizzate in acciaio 316, la più nobile  
delle leghe metalliche: inossidabile, antibatterico,  
indistruttibile.  
Superfici spazzolate a mano per conferire al metallo  
una morbida tattilità.  
Disponibile in versione inalterata in acciaio spazzolato o  
rivestita con deposizione PVD nei colori nero e rame.

### PASSION POUR L'ACIER

Pièces extérieures en acier 316, le plus noble des alliages  
métalliques: inoxydable, antibactérien, indestructible.  
Surfaces brossées à la main pour donner au métal  
une douce tactilité.  
Disponible en acier brossé inaltéré ou revêtu par dépôt  
PVD dans les finitions noire et cuivre.

### PASIÓN POR EL ACERO

Partes externas de acero 316, la más noble de las  
aleaciones metálicas: inoxidable, antibacteriano,  
indestructible.  
Superficies cepilladas a mano para dar al metal un  
tacto suave.  
Disponible en acero cepillado inalterado o revestido  
con deposición PVD en acabados negro y cobre.

### LEIDENSCHAFT FÜR STAHL

Äußere Teile aus 316 Stahl, der edelsten aller  
Metalllegierungen: rostfrei, antibakteriell, unverwüstlich.  
Von Hand gebürstete Oberflächen, um dem Metall eine  
weiche Haptik zu verleihen.  
Erhältlich in unverändertem, gebürstetem Stahl oder mit  
PVD-Beschichtung in schwarzer und kupferfarbener  
Ausführung.

## ITALIAN MANUFACTURE

---

### SUSTAINABLE PRODUCTION

Non-toxic materials, complete recycling of scraps, zero-waste finishing process, durability at the highest level: taps and accessories under the sign of maximum sustainability.  
All parts in contact with water made of lead-free materials; compliance with the strictest international standards.  
Production carried out entirely in Italy by certified manufacturers fully committed to respect social and environmental standards.

### PRODUZIONE SOSTENIBILE

Materiali atossici, riciclo integrale degli sfaldi, tecnologie di finitura superficiale a scarico zero, durabilità ai massimi livelli: rubinetti ed accessori all'insegna della massima sostenibilità.  
Tutte le parti a contatto con l'acqua realizzate con materiali esenti piombo; conformità ai più rigorosi standard internazionali.  
Produzione interamente realizzata in Italia da aziende certificate e pienamente impegnate nel rispetto delle norme sociali ed ambientali.

### PRODUCTION DURABLE

Matériaux non toxiques, recyclage complet des déchets, processus de finition sans déchets, durabilité au plus haut niveau: robinets et accessoires sous le signe de la durabilité maximale.  
Toutes les parties en contact avec l'eau fabriquées avec des matériaux sans plomb; conformité avec les normes internationales les plus strictes.  
Production entièrement réalisée en Italie par des fabricants certifiés et pleinement engagés à respecter les normes sociales et environnementales.

### PRODUCCIÓN SOSTENIBLE

Materiales no tóxicos, reciclaje completo de restos, proceso de acabado sin residuos, durabilidad al más alto nivel: grifería y accesorios bajo el signo de la máxima sostenibilidad.  
Todas las piezas en contacto con el agua fabricadas con materiales sin plomo; cumplimiento de las normas internacionales más estrictas.  
Producción realizada enteramente en Italia por fabricantes certificados plenamente comprometidos con el respeto de las normas sociales y medioambientales.

### NACHHALTIGE PRODUKTION

Ungiftige Materialien, vollständige Wiederverwertung von Abfällen, abfallfreies Veredelungsverfahren, Langlebigkeit auf höchstem Niveau: Armaturen und Zubehör stehen im Zeichen maximaler Nachhaltigkeit.  
Alle Teile, die mit Wasser in Berührung kommen, sind aus bleifreien Materialien gefertigt und entsprechen den strengsten internationalen Normen.  
Die Produktion erfolgt vollständig in Italien bei zertifizierten Herstellern, die sich zur Einhaltung von Sozial- und Umweltstandards verpflichten.

**SALE AND WARRANTY CONDITIONS**

1. Amphora srl list prices are subject to the application of VAT at the rate in force at the time of billing. The manufacturer reserves the right to change the prices or the pricelist without prior notice.
2. With the transmission of the order proposal, the retailer accepts all our sales and delivery conditions, as listed hereafter. The order is binding for the retailer, while Amphora srl is only subject to its terms after issue of the order confirmation. Order cancellations or modifications are only acceptable within 48 hours of receiving your order confirmation from Amphora srl. Delivery times as stated in the order confirmation are not binding and should be intended as barring any unforeseen circumstances. In no case, however, can they give rise to reimbursements or compensations from Amphora srl. The company reserves the right to process the order with partial shipments.
3. Unless otherwise agreed, the supply of the products is intended ex-works. Consequently, transport and insurance are the retailer's responsibility, even when it is agreed that delivery shall be taken care of by the manufacturer, in which case the latter shall act as the retailer's delegate, on the understanding that the goods shall be carried at the retailer's risk. Risks relating to supply shall be transferred to the retailer when the products leave the manufacturer's premises.
4. Whatever the agreement between the manufacturer and the retailer governing the transport of the products, quality control must be carried out and any faults reported within eight days of receipt of the goods. The addressee is obliged to check incoming goods and present complaints regarding any damages directly to the transporter, who is responsible for them. The addressee is entitled and the transporter is obliged to check the delivery and indicate any reservations on the Delivery Document. The wording "WE RESERVE THE RIGHT TO CHECK" is not sufficient.
5. Amphora srl guarantees its products and their conformity for 24 months from the delivery date, within the limits of DPR 222/224 24/05/88 and in compliance with the European Directives in force. Product conformity means the correspondence in terms of quality, quantity and type to that stated in the agreement and that the products are free from faults which might make them unsuitable for the purpose for which they were created.
6. The product warranty shall be applicable at the following conditions:
  - a. The request for replacement/repair accompanied by documentation must be presented to the retailer where the product was purchased.
  - b. Faulty material must be delivered free to our premises.
  - c. The material will be checked immediately upon receipt. Should the complaint be founded, the product will be replaced and delivered free to destination.
 If the complaint is not founded, the reasons will be declared using the quickest and most appropriate means of communication.
7. The warranty shall automatically cease to be valid in the following cases:
  - a. If the product has not been installed by qualified personnel and/or no test certificate has been issued.
  - b. If the buyer does not carry out the necessary ordinary and special maintenance, as indicated in the installation booklet.
  - c. If the product has been interfered with by the user.
  - d. If the operating fault is due to unauthorised intervention on the product.
8. Any delay or irregularity in payments shall entitle the manufacturer to suspend supplies or to terminate the agreements in progress.
9. Amphora srl reserves the right to make technical and aesthetic changes to its products at any time, without prior notice.
10. Any dispute shall be under the exclusive jurisdiction of the Court of LUCCA.
11. In compliance with Legislative Decree 196/2003, Amphora srl hereby declares that the data made available by the customer shall be processed in observance of the law on the defence of privacy.
12. All the above sale conditions are considered as accepted in full with transmission of an order.

**CONDIZIONI DI VENDITA E GARANZIA**

1. Ai prezzi del listino Amphora deve essere applicata l'IVA secondo l'aliquota in vigore al momento della fatturazione. Il produttore si riserva di modificare i prezzi, o variare il listino prezzi senza alcun preavviso.
2. Con la trasmissione della proposta d'ordine il rivenditore accetta tutte le nostre condizioni di vendita e di consegna elencate qui di seguito. L'ordine è vincolante per il rivenditore mentre impegna Amphora Srl solo dopo l'emissione della conferma d'ordine. Dopo 48 ore dall'invio della conferma d'ordine da parte di Amphora srl, non si accetteranno annullamenti o variazioni. I tempi di consegna indicati nella conferma d'ordine non sono vincolanti e si intendono salvo imprevisti. In nessun caso, comunque, possono dare luogo a indennizzo o risarcimento alcuno da parte di Amphora srl. La società si riserva il diritto di evadere l'ordine anche con spedizioni parziali.
3. Salvo patto contrario, la fornitura dei prodotti si intende Franco Fabbrica del produttore; trasporto ed assicurazione sono pertanto a carico del rivenditore e ciò anche quando sia convenuto che la spedizione venga curata dal produttore, nel qual caso quest'ultimo agirà come mandatario del rivenditore, essendo inteso che il trasporto verrà effettuato a rischio del rivenditore. I rischi relativi alla fornitura passano al rivenditore al momento in cui i prodotti lasciano lo stabilimento del produttore.
4. Qualsiasi sia l'accordo tra produttore e rivenditore sul trasporto dei prodotti, il controllo delle quantità e gli eventuali rilievi di difformità dovranno essere segnalati entro otto giorni dal ricevimento della merce. Il destinatario è obbligato a controllare la merce in arrivo ed a contestare subito gli eventuali danni direttamente al trasportatore che ne è responsabile. È diritto del destinatario e dovere del trasportatore controllare la spedizione e apporre le eventuali riserve specifiche sul Documento di Trasporto. La sola dicitura generica "RISERVA DI CONTROLLO" non è valida.
5. La Amphora srl garantisce i propri prodotti, e la loro conformità, per 24 mesi a decorrere dalla data di consegna, comunque entro i limiti del DPR 222/224 24/05/88 e secondo le Direttive Europee vigenti. Per conformità dei prodotti si intende che essi corrispondono per qualità, quantità e tipo a quanto stabilito nel contratto e che sono esenti da vizi che potrebbero renderli non idonei all'uso cui sono destinati.
6. La garanzia dei prodotti sarà applicabile alle seguenti condizioni:
  - a. La richiesta di sostituzione/riparazione accompagnata dalla documentazione deve essere effettuata tramite rivenditore presso il quale il prodotto è stato acquistato.
  - b. Il materiale difettoso dovrà pervenire alla nostra sede in porto franco.
  - c. Al ricevimento il materiale sarà immediatamente controllato; qualora il reclamo sia ritenuto fondato la sostituzione sarà effettuata e resa franco destino.
7. La garanzia decade automaticamente nei seguenti casi:
  - a. Se il prodotto non è stato installato da personale qualificato e/o non sia stato rilasciato certificato di collaudo.
  - b. Se l'acquirente non provvede in modo accurato alla manutenzione ordinaria e straordinaria, come indicato dal produttore nei libretti di installazione.
  - c. Se il prodotto è stato manomesso da parte dell'utilizzatore.
  - d. Se il vizio di funzionamento è conseguente ad un intervento sul prodotto non autorizzato.
8. Qualsiasi ritardo o irregolarità nei pagamenti dà al produttore il diritto di sospendere le forniture, risolvere i contratti in corso e qualsiasi tipo di condizione commerciale.
9. La Amphora srl si riserva di apportare modifiche tecniche ed estetiche ai propri prodotti in qualsiasi momento senza preavviso.
10. Per qualsiasi controversia è competente unicamente il Foro di LUCCA.
11. Ai sensi del DL196/2003 La Amphora srl dichiara che i dati messi a disposizione dal committente verranno elaborati in rispetto della legge sulla tutela della privacy.
12. Tutte le suddette condizioni di vendita si intendono integralmente accettate con il conferimento dell'ordine.
